

## LAZY O RANCH

### Construction Road Use Rules

1. Loads are limited to early mornings, by 11:00 am, when the temperature is expected to exceed 80 degrees for the day. Half-loads may be permitted.
2. Trucks are prohibited in excess of 20 tons during the time of March 15<sup>th</sup>-June 15<sup>th</sup>. Trucks must run with half-loads during this time.
3. Trucks are strictly prohibited in excess of 30 tons, no exceptions.
4. Please adhere to speed limit signs, 15 mph. Speed should be reduced to a minimum down hills and around corners.
5. Please do not cut corners and avoid driving on the edge of the chip and seal portion of the road.
6. All construction equipment must be loaded and unloaded at the work site and not on Ranch roads.
7. Avoid or limit the use of tire chains on the Ranch roads in the winter months. Manager must approve the use of tire chains before entering the Ranch.
8. No road cuts are permitted during November through April.
